Wor Remember, just to survive! AJA A A-ÅA A A Just do it! eAAA DontAAA think too much. Sometimes, what we have learned in theory might be a little different with real life experience. A-ÅA ÅA ÅA ÅteÅÅÅ okay kalau kene marah, bukan mati pun eAAA This is something you can eAAA run from, so be prepared. Ini bukan isu b What is housemanship?? This is due to overloading of medical students, Many names have been called for housemen. Currently (as far as I know), regardless from local universities or overseas, all medical graduates have to undergo at least 2 years of housemanship (Latihan Siswazah). Use your housemanship to ask as many questions as you can, even a silly one! If you doneAAA know, not sure of something, having doubt of doing things, Å ÅASK! Å ÅA Å Å Plan your time off/break - I don't know how the system or the schedule works nowadays, but during my time housemen's schedule was made by one of us as well. For example, you want to plan for a vacation, then plan to take night shift and time off closer to the planned date, and then take annual leave a day or two afterwards, so you can have longer break. You always want to eAAA go home and read up more about it eAAA, but instead find yourself hitting the sack upon arriving home. I like them both, and when I have the time, I will share my thoughts later. I eAAA explain later. Each has to go through at least 4 months for each posting. Those who really have the passion for the profession, you should enjoy the time as a houseman, learn as much as possible to be a better doctor. Getting scolded from your superiors, nurses are usual and mistakes are your teachers. It eAAA a training programme for medical graduates who wish to work in Malaysia. Plan your off day well, so you can spend quality time for yourself and with your family. If you would like to join my project, kindly email your notes to gerardlo@hotmail.com Your contribution is most welcome! Additional materials : Essentials by Dr. Goh Kiam Seong Househip was not an easy way for me, and I believe it was the same for most Housemen. Currently, there are 5 volumes to the date, I hope they can help you in your first days of marking. ***** By: Mahyuddin Mohamed (Facebook name) Viral Surat Komplen Sekumpulan Houseman Yang Mengatakan Mereka Bekery Lebih Masa. Sometimes you feel like a fool, you do not know what you learned at school. Even if you are being rebuked, worse is that you feel ashamed, you will not die! Å · Find your own time to eat, pray, pee or rest - Remember, your work will never end. Não Sacrifice to be hungry, lost much) Hold your bladder and end up with the ICU, etc. Remember that housemen also have the right to annual sheets. Panda!2 Curi Masa for you. Why "at least 2 years"? Most of the time, since it was a 3-turn system, about 2 weeks before the next month, the so-called "LDER" will put a blank schedule and gave chances to make any preference. Within 2 years, Housemen is expected to complete 6 posts; METHOD, CURRY, PEDIARICAL, ORTOPER, Obstetricia and gynecology, emergency / anesthesiology. Article 1: Kerjaya Doktor Bukan Untuk Si Manja walks. They are quite long, but I considered that the two articles are worth spending their time for. Try to be healthy. It was a good battle for me since I do not have much passion. Therefore, I simply think how to survive this period. Two good doctors spent their busy time to give their thoughts and opinion about it. == Any beginning can send me an email at nukezonne@gmail.com == for the future, present, ex-houseman (including the houseman who give up, metering, specialist, consultant, superior consultant, super consultant) , and the Public to understand There was a problem with our Houseman again. I realized this because they appear in my FB Newsfeed. Get busy, and you will realize that time is up. We are still learning, so yes, we will make many mistakes. Yes, housing was torture at times, but it gets better when you are a doctor, so try to cope! Again, this is just my humble personal opinion. They touch on similar issues, but from different perspectives. Yes, we heard that many dropped out half way through for many reasons, in fact I was almost one of them. If you want to see the response to this post by other people (which some I have annoyed with), I have attached the source as well. Å Å a fun way to summarize the whole post, as well as a nice gift for the department. **For the 6th post, the ministry recently (if I am not mistaken at the end of December 2013) introduced the participation of residents in the Primary Care and Psychiatry Department, with the exception of the Emergency Department or Anesthesiology. Department.
